

Your child will receive work each day from the Hegarty Maths platform. Your child may complete more work should they wish this is not a requirement.

The Hegarty Maths work will consist of two main parts:

- 1) Watching the video that accompanies the task.
- 2) Doing the quiz that follows the video.

Each day a new task will be set, closely following the scheme of work that students would be studying were they in school. It is important that students watch the videos as some content that will be set won't have been covered yet this year. We don't want anyone to fall behind during these unprecedented times!

Your child will have been told by their teacher how to log-in to the site but in short

- 1) Go to [www.hegartymaths.com](http://www.hegartymaths.com)
- 2) Student login (at the top)
- 3) Type in the school name
- 4) Write in their first name, last name and date of birth
- 5) Choose a password of their choice.

If for any reason your child is having difficulties accessing the online work, you can make contact with school at **homelearning@hindehouse.net**

Good Luck

HHS Maths Department

# Accessing a task

No

Has your teacher set you work?

Yes

Your homework will be found in the **My Tasks** page.

Class	Set	Lesson score / attempts
Quadratic expressions 6	7M/Ma2	2 days ago Incomplete

You can **Search** for a task or **Choose** lesson.

### Skills

- Collecting like terms 1  
Watched 0.00x  
New lesson HegartyMaths avg 79%
- Collecting like terms 2  
Watched 0.00x  
New lesson HegartyMaths avg 75%
- Simplifying expressions involving multiplication  
Watched 0.00x  
New lesson HegartyMaths avg 82%

You can view all tasks completed before in **My Scores**.

Lesson	Score	Attempts	Time	Comments	Assessment taken
Factorise simple expressions 2	100%	1	1.00x	9.15mins	0 0/0 11:28 Tue 30th Aug 16
Distributive law of multiplication	30%	1	0.20x	2.81mins	0 0/0 13:53 Mon 8th Aug 16
Simple subtraction & its meaning	100%	2	1.00x	8.20mins	0 0/0 13:49 Mon 8th Aug 16
Simple addition & its meaning	20%	3	0.00x	0.68mins	0 0/0 13:45 Mon 8th Aug 16

Click on the **task** to take it again and try to improve your score.

# Doing a task

Watch the video carefully taking the best notes you can. Use lots of colour and work hard to follow each example. Replay anything you might be unsure of.

The screenshot shows a learning interface with a video player at the top. The video title is "quadratic expressions 6" and the content is "Factorise quadratic expressions 6". Below the video player is a "Building blocks" section with three items:

- Expand**:  $(5x + 9)(4x - 6)$ . Video watched 0.00x. Your score: New lesson. HegartyMaths avg 86%.
- Expand double brackets 3**:  $8x^2 + 10x + 3$ . Video watched 0.00x. Your score: New lesson. HegartyMaths avg 85%.
- Factorise simple expressions 2**:  $16z^2y + 10zy$ . Last learned 11:28 Tue 30th Aug 16. Video watched 0.00x. Completed in 2.15mins. Your score 100%. HegartyMaths avg 85%. Feedback 0 (0 new).

Work on your **Building blocks** If you struggle with the video then improving these will help you access the task better. Aim to make all building blocks 100%.
